

## Register Now for TypeOneNation 2017!

Saturday, February 25, 2017

8 a.m. – 3 p.m.

McCormick Place Convention Center in Chicago

Join us for this informational summit led by national and local experts presenting on topics related to diabetes care and management. Attendees will have the opportunity to network with one another and visit our Wellness Area, featuring a variety of diabetes devices, resources, and other summit supporters.

**All those impacted by T1D are welcome to attend.** There will be sessions geared for adults with T1D, parents of children with T1D, teens with T1D, etc. Children ages 5 - 12 are invited to enjoy a fun-filled day in our Kids Zone.

Guests interested specifically in exercise and nutrition for those with T1D are welcome to participate in our PEAK (Performance in Exercise and Knowledge) sessions. The PEAK morning sessions run concurrently with TypeOneNation.

Cost is \$15 per person. Price includes admission and lunch. For more information, please contact Christine Bissler at [cbissler@jdrf.org](mailto:cbissler@jdrf.org) or 312-423-7198.

Register at: [typeonenationIL2017.eventbrite.com](http://typeonenationIL2017.eventbrite.com) OR [PEAKIL2017.eventbrite.com](http://PEAKIL2017.eventbrite.com)

Featuring TypeOneNation Keynote Speaker: Adam Brown, Senior Editor at [diaTribe.org](http://diaTribe.org)

TypeOneNation sessions are scheduled to include: (subject to change)

- **T1D Research Advances** – presented by Dr. Louis Philipson, Kovler Diabetes Center
- **Financing and Insuring T1D Panel** – featuring an insurance company representative; JDRF Advocate; medical professional; and a financial services representative
- **Psychological Aspects of T1D**
- **Teen-only sessions and activities**
- **School and T1D**
- **T1D and the Workplace Panel** – featuring Dr. Grazia Aleppo from Northwestern; a HR Program Director; and a JDRF Board Member living with T1D
- **The Insulin Curve** – presented by Dr. Greg Clark, Chicago Diabetes Experts, SC
- **Going off to College Panel** – featuring Dr. Vidhya Viswanathan, pediatric endocrinologist at Hope Children's Hospital; a parent and college-age student; and university representative
